

## **BA Honours with a Major in Social Sciences and Humanities (SSH)**

This programme allows students to explore three disciplines within the School in some depth over the course of three years while obtaining the wider benefits of a liberal arts education. Faculty and staff of the School shall help students opting for the SSH Major in constructing a meaningful sequence of courses from the courses offered in the School.

Students opting for SSH must complete the Foundation Courses and fulfill other general requirements of the BA Honours degree. In addition, they also complete sixteen (16) or more credits in **each of the three disciplines** of their choice, which fall in the domain of the Humanities, Social Sciences and Mathematical Sciences. There may be special additional classes, seminars, workshops and activities for SSH students.

Students completing the SSH Major will be eligible to apply for MA programmes at AUD and other institutions. Many of the same employment opportunities available to single-subject BA Honours graduates would be available to them as well. SSH students converting their degrees to BA Honours with Dual Major will have a complete Honours degree with an unusually strong subsidiary component that would make them attractive candidates for postgraduate/professional study programmes and for employment opportunities. Further information about Social Sciences and Humanities Honours at AUD can be sought by writing to Prof. Denys P. Leighton ([denys@aud.ac.in](mailto:denys@aud.ac.in)).
