

Guidelines for MA Sociology Entrance Test

The entrance test for the Masters Programme in Sociology at AUD will be of one and a half hour duration. For the first section of the entrance test, the applicant will be required to write short notes on any eight out of the given twelve concepts/ themes, each note will carry 5 marks. The second and the third section will assess the students on their ability to answer essay type questions. These questions will carry a weightage of 30 marks each. The questions in the second and the third section will have the component of internal choice. The candidates will be assessed primarily on their intellectual rigor and sociological imagination related to issues of contemporary social relevance.
