

M.Phil. and Ph.D. programmes in Hindi:
Announcement of Admission Activities (August 2011)

Applicants to the M.Phil. and Ph.D. programmes in Hindi who have submitted complete applications and met minimum eligibility requirements (see attached list of candidates) are requested to participate in an **entrance examination to be held on Thursday, 11 August 2011 at 11 a.m.-1 p.m. on the Dwarka campus of the University**. Candidates shall next be invited to participate in **entrance interviews to be held on 12 (Friday) August 2011**.

To be considered for admission to M.Phil. or Ph.D. studies, all candidates must participate in both the written test and the interview. The written entrance test shall be conducted by Hindi faculty members and the interviews shall be conducted by Hindi faculty members and representatives of the Research Studies Committee of the School of Liberal Studies.

Doctoral applicants who have completed an M.Phil. degree (whether in Hindi or another field) are directed to submit as soon as possible a synopsis/abstract and a sample chapter of the M.Phil. thesis. Send in soft copy if possible to Dr. Gopalji Pradhan (gopaljeepradhan@gmail.com). Candidates who do not submit this material before the date of interview (12 August) may not be given full consideration and could be denied admission on that basis. The M.Phil. thesis as well as the proposal submitted with the original application to AUD may serve as points of discussion in the interview.

About the Entrance Test:

There is no entrance test admission card. Eligible candidates will have their names checked against an application roster. They must bring with them two forms of identification.

The entrance test shall be used to diagnose the candidate's potential for conducting literary research. The test shall consist of five questions. The test is of two hours' duration. Exam paper will have 10% objective type questions, 10% on some literary text, 10% on some Hindi writer, 10% on literary trends and 10% on general issues. The questions shall require the candidates to think about the nature of Hindi as a scholarly discipline (for example, its relation to other kinds of knowledge and other literatures). Candidates are expected to write clearly and accurately in Hindi in support of their claims and opinions through logical arguments.

About the Entrance Interview:

Each entrance interview is expected to last 10-15 minutes. For M.Phil. admission, the candidate shall be asked about her/his proposed topic of research. Even if the proposal is recognized as provisional, the candidate is expected to speak about the research area in as

specific terms as possible. Questions may be asked about the candidate's academic background or knowledge of languages. One function of the entrance interview is to help the University design a study/research programme best suited to the candidate.

Formula for Assessment of Candidates:

All candidates shall be evaluated for admission according to the same formula of 25% for academic background/preparation, 50% for score on the entrance test, and 25% for performance in the entrance interview. 'Academic background' includes quality of previous academic performance and its relevance to the proposed research. (Some applicants might not have degrees in Hindi but their academic preparation may nevertheless equip them to pursue a research degree in Hindi.) Consideration of the proposal submitted with the original application thus becomes part of the 'academic background/preparation' component.

AUD is an educational institution supported by the Government of Delhi and as such has a primary obligation to inhabitants of the National Capital Territory (NCT). 15% of seats for research scholars are available to candidates from outside the NCT. Applicants offered M.Phil. or Ph.D. seats shall be expected to provide proof of their residency or non-residency in the NCT.

A list of applicants accepted for admission shall be posted on this website by the evening of Wednesday, 17 August 2011. Further instructions for admission shall also be given at that time.
